This bulletin shows prices and gravity adjustments posted by Big West Oil, LLC (Big West) for purchases of crude oil and condensate. Prices are based on the use of 100% mutually acceptable automatic measuring equipment with customary adjustment of volume and gravity for tank tables or temperature and full deduction for basic sediment and water.

Effective 7:00 a.m. on the date(s) indicated, and subject to change without notice and subject to the terms and conditions of its division orders or other contracts, Big West will pay the shown prices for merchantable crude oil and condensate delivered for its account into the facilities of its authorized receiving agency.
